

Please note:  
grid-lines should be drawn very faintly, especially those in the sky and over snow.  
Do not erase grid-lines until after your painting is finished

*Title: wood shed and snow  
Date - November. 2011*

Trim to the vertical center-line, match up to the RH sheet and fix together with sellotape

Trim to the vertical center-line, match up to the LH sheet and fix together with sellotape
